

Create-A-Camp Choice Form

Victoria, BC

At CGI, we have special opportunities where campers can customize their camp experience and choose the activities of their choice. The various choices are outlined on this form. **Please review the choices with your child, and select the one per week he/she would like to attend.** (Certain courses may be available for a limited number of campers and will be assigned based upon date of registration and timely submission of forms.)

Swimming and Sportball is in addition to the weekly choices. Children can choose both every week. Please fill out one form for each child (**Kindergarten and up**) being registered and return it by May 31st.
